The liability to insure any purchased Lot shall pass from the auctioneer to the purchaser on the fall of the hammer.
- 13 COMMISSION BIDS** - If instructed, the auctioneers will execute bids and advise prospective purchasers. This service is free. Lots will always be purchased as cheaply as is allowed by such other bids and reserves as are on the auctioneer's books. In the event of identical bids, the earliest will take precedence. There must always be a maximum limit indicated, i.e. the amount to which you would bid if you were attending the auction yourself. "Buy" or unlimited bids will not be accepted. Commission bids placed by telephone are accepted at the client's risk. We do accept commission bids by facsimile. We urge our clients to place such commission bids within one hour of the close of the view day.
- 14 TELEPHONE BIDS** - Requests for telephone bidding must be registered with the Saleroom Manager within one hour of the close of the view day. It may not be possible to accept requests on sale days. Written confirmation of such bids from persons unknown to the auctioneers must be received before the commencement of the sale. Whilst every effort will be made to execute telephone bidding, the auctioneers cannot be held responsible for any default or neglect in connection with this service. All such arrangements therefore are made entirely at the prospective buyer's risk.
- 15 COLLECTION OF GOODS** - At the purchaser's sole cost and expense, the purchaser shall collect the lot(s) purchased not later than 12 mid-day after the day of the auction, not before payment to the auctioneers of the total amount due. After 5 working days, storage charges of £2 + VAT per day per lot will apply to any goods that have not been collected.
- 16 POSTAGE / SHIPPING** - Goods will not be released to couriers unless they are delivering to the address that the buyer has used for registration. Couriers are instructed not to take alternate delivery instructions once dispatched
- 17 COMPLIANCE** - Upon failure of any purchaser to comply with any of the above conditions any money deposited by the purchaser in part payments shall be forfeited to the owner of the lot, he paying there from, all just expenses. Any lot not paid for within 1 month of the purchase date shall be resold by public auction or private contract and the deficiency (if any) arising from such a resale together with all expenses attending the same shall be made good by the defaulter at this sale who shall have no claim to any surplus which may arise on a resale.
- 18 PRE SALE ESTIMATES** - Given by the auctioneers or a member of their staff are their opinion as to what they consider any particular lot is likely to realise. However any lot may sell at a figure less than the lower estimate and for more than the higher estimated figure. The auctioneers and their staff reserve the right to alter their pre-sale estimates, either upwards or downwards, on any lot at any time, up until such time as the lot is offered for sale.
- 19 RESERVES** - The auctioneers and vendors reserve the right: -
  - (a) To remove the reserve completely from a previously reserved lot at any time up until it is offered for sale.
  - (b) To place a reserve on a previously unreserved lot at any time up until it is offered for sale.
  - (c) To alter a reserve, either upwards or downwards, on any lot at any time up until it is offered for sale.
  - (d) Should any item fail to sell at the reserve price on the day of the Auction they will be subject to commission of 3% of the Reserve Price, subject to a minimum fee of £5 plus VAT.
- 20 THIRD PARTY LIABILITY** - Every person on the auctioneers' premises before, during or after a sale or at any other time, shall be deemed to be there at their own risk and shall have no claim against the auctioneer in respect of any injury they may sustain or any accident which may occur.
- 21 ANY NOTICES** - Any notices that may be displayed from time to time by the auctioneers in the sale ground or salerooms shall be deemed to form part of and be included within the general conditions of sale.
- 22 MONEY LAUNDERING REGULATIONS** - In order to comply with current anti-money laundering legislation we are unable to accept cash payments over £8,000. Any purchaser wishing to pay cash for any purchase over £1,000 may be asked for identification e.g. Passport or photo driving licence.
- 23 DROIT DE SUITE ROYALTY CHARGES** - in essence this charge will be made to the purchaser of any work of art that has been produced by a living artist or for a period of up to 70yrs after the artist's death, on lots with a hammer price more than the UK sterling equivalent of €1,000. Please refer to [www.dacs.org.uk](http://www.dacs.org.uk) for further rules and current exchange rates. The royalty charge will be added to purchase invoices and must be paid before items can be cleared. All Royalty charges are paid to the Design and Artists Copyright Society (DACS) by the Auctioneers and no handling costs or additional fees with respect to these charges will be retained by the Auctioneer.
- 24 RICS REGULATION**
  - a) All Clients monies are paid into our Auction Clients Account with Barclays Bank PLC Norfolk Business and Agricultural Corporate Banking Centre, Norwich, Norfolk (any interest accrued monies held will be retained by Durrants)
  - b) Durrants operates an RICS approved complaints policy, details can be found on our website [www.durrants.com](http://www.durrants.com)
- 25 RESCISSION** - Notwithstanding any other terms of these Conditions, if within fourteen days of the date of sale Durrants receive from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and the lot is returned to them in this period in the same condition as at the time of sale and produces written evidence, the burden of proof to be upon the buyer, satisfies Durrants that considered in the light of the entry in the catalogue the lot is a deliberate forgery then the sale of the lot will be rescinded. The purchase price will be refunded once the sum has been returned to Durrants by the Seller.
- 26 REPRODUCTIONS** - Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition. Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity
