The bidder in the room who is successful in purchasing any lot or lots is entirely responsible for paying for such lot or lots in accordance with our general conditions of sale. Purchases made on behalf of a third party are entirely the responsibility of the bidder in the room. The auctioneer reserves the right to bid on behalf of the vendors for any lot and to withdraw, consolidate or divide any lot or lots.
- 2 REGISTRATION** - To assist the progress of sale, all prospective buyers must register their name and address at reception and collect a bidding number before the sale commences. Should there be any doubts as to price or buyer, please draw the auctioneer's attention to it immediately.
- 3 BUYER'S PREMIUM** - A buyer's premium of 17% plus VAT at the standard rate of the hammer price is payable on each lot.
- 4 VENDOR'S COMMISSION** - Our standard Vendor's commission of 14% plus VAT will be charged up to £1000 - rate negotiable prior to sale. In addition, each lot will be subject to a lotting fee of £3 plus VAT.
- 5 PURCHASE VIA LIVE BIDDING** - Any lots purchased via the-saleroom.com live auction service will be subject to an additional 3% commission charge plus VAT at the current rate imposed on the hammer price. In completing the bidder registration on [www.the-saleroom.com](http://www.the-saleroom.com) and providing your credit card details and unless alternative arrangements are made with Durrants you hereby agree to the following terms:

- 6 VALUE ADDED TAX** - Lots on which Value Added Tax may be payable by the buyer on the "hammer price" are indicated in the catalogue by a symbol beside the lot number. The buyer shall pay any VAT which may be due on any amounts owed by the buyer under these conditions of sale at the rates prevailing on the day of the auction.
- 7 AUCTIONEERS MARGIN SCHEME** - The Auctioneers Margin Scheme allows auctioneers to sell items without VAT on the hammer price. Under the margin scheme an amount equivalent to VAT at the current rate is added to the buyer's premium. This amount cannot be refunded. The VAT element will not be shown separately on the buyer's invoice.
- 8 PAYMENTS**  
**Purchaser** - Our methods of payment are with bank transfer, cash, debit or credit card (in person only) or by cheque supported by a valid guarantee card or bankers reference. All purchases must be paid in full on the day of the sale before any lot is removed from the premises. No goods will be released to buyers unknown to the auctioneers without adequate reference or before their cheques have cleared. Anyone who, for whatever reason, is unable to pay for their goods on the day of the sale must inform the Saleroom Manager as to when payment will be made. There is a 2% surcharge on credit card payments.  
**Vendor** - Vendors will normally receive proceeds of sale 10 working days after. However, where individual consigned Lots have sold for £500 or above Durrants reserve the right to hold payment until we have been paid by the purchaser. We also reserve the right to rescind a sale, if it is clear that having pursued all the usual channels Durrants are unlikely to receive payment on the Lot in question. In such circumstances, the Lot(s) involved will be reoffered in a later Sale with the sale reserve (if applicable).
- 9 ATTRIBUTION AND CONDITION OF LOTS** - Every effort is made to ensure the accuracy of any statement as to authorship, attribution, origin, date, age, provenance and condition of any lot whether or not such statement forms part of the description of any such lot. Whether any such statement is made orally or in the catalogue it is an expression of opinion. Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully as to the attribution and condition of the lot. If any damage is done to any lot at the viewing or before, during or after the sale, such damage shall be made good by the person committing such damage, principals being responsible for the acts of their servants, such damage to be assessed by the auctioneers. Written condition reports are available for all Lots upon request. Buyers that do not request condition reports forfeit their right to a refund, except where we are in breach of Contract.  
Verbal condition reports will not be given. The latest that a condition report will be e-mailed, posted or faxed is the day immediately before the sale.

- 18 PRE SALE ESTIMATES** - Given by the auctioneers or a member of their staff are their opinion as to what they consider any particular lot is likely to realise. However any lot may sell at a figure less than the lower estimate and for more than the higher estimated figure. The purchase price will be refunded once the sum has been returned to Durrants by the Seller.  
If before the proceeds of the sale have been paid to the Seller Durrants receives notice from the buyer that, in the buyers view the sale should be rescinded and Durrants agrees with that view, Durrants will rescind the sale and refund to the Buyer any amount paid to Durrants in respect of the Lot, and if such notice is received after payment of the proceeds of this sale the Seller will on notice reimburse Durrants to the full amount of the sum refunded to the Buyer.
- 26 REPRODUCTIONS** - Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition. Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity
