- Durrants are authorised to charge the credit/debit card given in part or full payment including all fees for items successfully purchased in the auction via the sale-room.com, and
 - You are authorised to provide these credit/debit card details to Durrants through www.the-saleroom.com and agree that Durrants are entitled to ship the goods to the cardholder name and address provided in fulfilment of the sale.
- 6 VALUE ADDED TAX** - Lots on which Value Added Tax may be payable by the buyer on the "hammer price" are indicated in the catalogue by a symbol beside the lot number. The buyer shall pay any VAT which may be due on any amounts owed by the buyer under these conditions of sale at the rates prevailing on the day of the auction.
- 7 AUCTIONEERS MARGIN SCHEME** - The Auctioneers Margin Scheme allows auctioneers to sell items without VAT on the hammer price. Under the margin scheme an amount equivalent to VAT at the current rate is added to the buyer's premium. This amount cannot be refunded. The VAT element will not be shown separately on the buyer's invoice.
- 8 PAYMENTS**
Purchaser - Our methods of payment are with bank transfer, cash, debit or credit card (in person only) or by cheque supported by a valid guarantee card or bankers reference. All purchases must be paid in full on the day of the sale before any lot is removed from the premises. No goods will be released to buyers unknown to the auctioneers without adequate reference or before their cheques have cleared. Anyone who, for whatever reason, is unable to pay for their goods on the day of the sale must inform the Saleroom Manager as to when payment will be made. There is a 2% surcharge on credit card payments.
Vendor - Vendors will normally receive proceeds of sale 10 working days after. However, where individual consigned Lots have sold for £500 or above Durrants reserve the right to hold payment until we have been paid by the purchaser. We also reserve the right to rescind a sale, if it is clear that having pursued all the usual channels Durrants are unlikely to receive payment on the Lot in question. In such circumstances, the Lot(s) involved will be reoffered in a later Sale with the sale reserve (if applicable).
- 9 ATTRIBUTION AND CONDITION OF LOTS** - Every effort is made to ensure the accuracy of any statement as to authorship, attribution, origin, date, age, provenance and condition of any lot whether or not such statement forms part of the description of any such lot. Whether any such statement is made orally or in the catalogue it is an expression of opinion. Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully as to the attribution and condition of the lot. If any damage is done to any lot at the viewing or before, during or after the sale, such damage shall be made good by the person committing such damage, principals being responsible for the acts of their servants, such damage to be assessed by the auctioneers. Written condition reports are available for all Lots upon request. Buyers that do not request condition reports forfeit their right to a refund, except where we are in breach of Contract.
Verbal condition reports will not be given. The latest that a condition report will be e-mailed or posted is the day immediately before the sale.
- 10 ATTRIBUTION OF PICTURES** - (Condition 7 also refers).
- The forename(s) (or asterisks where not known) and surname of the artist indicates in our opinion a work by the artist
 - The initials of the forename(s) and the surname of the artist indicates in our opinion a work of the period of the artist which may be wholly or in part his work.
 - The surname of the artist indicates in our opinion a work of the school or by one of the followers of the artist or in his style and of uncertain date.

- 12 TRANSFER OF RISK** - Each lot shall be at the purchaser's sole risk from the fall of the hammer and shall be sold with all faults and imperfections. The purchaser is deemed to have inspected the lots and satisfied himself as to their condition. The liability to insure any purchased Lot shall pass from the auctioneer to the purchaser on the fall of the hammer.
- 13 COMMISSION BIDS** - If instructed, the auctioneers will execute bids and advise prospective purchasers. This service is free. Lots will always be purchased as cheaply as is allowed by such other bids and reserves as are on the auctioneer's books. In the event of identical bids, the earliest will take precedence. There must always be a maximum limit indicated, i.e. the amount to which you would bid if you were attending the auction yourself. "Buy" or unlimited bids will not be accepted. Commission bids placed by telephone are accepted at the client's risk. We do accept commission bids by facsimile. We urge our clients to place such commission bids within one hour of the close of the view day.
- 14 TELEPHONE BIDS** - Requests for telephone bidding must be registered with the Saleroom Manager within one hour of the close of the view day. It may not be possible to accept requests on sale days. Written confirmation of such bids from persons unknown to the auctioneers must be received before the commencement of the sale. All such arrangements therefore are made entirely at the prospective buyer's risk.
- 15 COLLECTION OF GOODS** - At the purchaser's sole cost and expense, the purchaser shall collect the lot(s) purchased not later than 12 mid-day after the day of the auction, not before payment to the auctioneers of the total amount due. After 5 working days, storage charges of £2 + VAT per day per lot will apply to any goods that have not been collected.
- 16 POSTAGE / SHIPPING** - Goods will not be released to couriers unless they are delivering to the address that the buyer has used for registration. Couriers are instructed not to take alternate delivery instructions once dispatched
- 17 COMPLIANCE** - Upon failure of any purchaser to comply with any of the above conditions any money deposited by the purchaser in part payments shall be forfeited to the owner of the lot, he paying there from, all just expenses. Any lot not paid for within 1 month of the purchase date shall be resold by public auction or private contract and the deficiency (if any) arising from such a resale together with all expenses attending the same shall be made good by the defaulter at this sale who shall have no claim to any surplus which may arise on a resale.
- 18 PRE SALE ESTIMATES** - Given by the auctioneers or a member of their staff are their opinion as to what they consider any particular lot is likely to realise. However any lot may sell at a figure less than the lower estimate and for more than the higher estimated figure. The auctioneers and their staff reserve the right to alter their pre-sale estimates, either upwards or downwards, on any lot at any time, up until such time as the lot is offered for sale.
- 19 RESERVES** - The auctioneers and vendors reserve the right: -
- To remove the reserve completely from a previously reserved lot at any time up until it is offered for sale.

- 23 DROIT DE SUITE ROYALTY CHARGES** - in essence this charge will be made to the purchaser of any work of art that has been produced by a living artist or for a period of up to 70yrs after the artist's death, on lots with a hammer price more than the UK sterling equivalent of €1,000. Please refer to www.dacs.org.uk for further rules and current exchange rates. The royalty charge will be added to purchase invoices and must be paid before items can be cleared. The purchase price will be refunded once the sum has been returned to Durrants by the Seller.
If before the proceeds of the sale have been paid to the Seller Durrants receives notice from the buyer that, in the buyers view the sale should be rescinded and Durrants agrees with that view, Durrants will rescind the sale and refund to the Buyer any amount paid to Durrants in respect of the Lot, and if such notice is received after payment of the proceeds of this sale the Seller will on notice reimburse Durrants to the full amount of the sum refunded to the Buyer.
- 26 REPRODUCTIONS** - Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition. Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity
