If any damage is done to any lot at the viewing or before, during or after the sale, such damage shall be made good by the person committing such damage, principals being responsible for the acts of their servants, such damage to be assessed by the auctioneers. Written condition reports are available for all Lots upon request. Buyers that do not request condition reports forfeit their right to a refund, except where we are in breach of Contract.

There must always be a maximum limit indicated, i.e. the amount to which you would bid if you were attending the auction yourself. "Buy" or unlimited bids will not be accepted. However any lot may sell at a figure less than the lower estimate and for more than the higher estimated figure. The purchase price will be refunded once the sum has been returned to Durrants by the Seller.
If before the proceeds of the sale have been paid to the Seller Durrants receives notice from the buyer that, in the buyers view the sale should be rescinded and Durrants agrees with that view, Durrants will rescind the sale and refund to the Buyer any amount paid to Durrants in respect of the Lot, and if such notice is received after payment of the proceeds of this sale the Seller will on notice reimburse Durrants to the full amount of the sum refunded to the Buyer.
- 26 REPRODUCTIONS** - Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition. Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity
