REPRODUCTIONS

Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition.

Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity.

Please note all post 1939 air guns can only be shipped by licenced couriers to a registered Firearms Dealer and not a private address.

- 25 RESCISSION** - Notwithstanding any other terms of these Conditions, if within fourteen days of the date of sale Durrants receive from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and the lot is returned to them in this period in the same condition as at the time of sale and produces written evidence, the burden of proof to be upon the buyer, satisfies Durrants that considered in the light of the entry in the catalogue the lot is a deliberate forgery then the sale of the lot will be rescinded. The purchase price will be refunded once the sum has been returned to Durrants by the Seller.

If before the proceeds of the sale have been paid to the Seller Durrants receives notice from the buyer that, in the buyers view the sale should be rescinded and Durrants agrees with that view, Durrants will rescind the sale and refund to the Buyer any amount paid to Durrants in respect of the Lot, and if such notice is received after payment of the proceeds of this sale the Seller will on notice reimburse Durrants to the full amount of the sum refunded to the Buyer.
- 26 REPRODUCTIONS** - Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces.
